SUNSEEKER 86 - RUSH X

Rush X delivers a seductive combination of style and exclusivity on all fronts. From bow to stern, every detail has been crafted to perfection. Inside, the main saloon is a large welcoming space; full of natural light, hand-finished furnishings and state-of-the-art technology. The outstanding level of design and craftsmanship continues below deck, where both the owner's stateroom and guest cabins offer privacy and extravagance in equal measure. Rush X, was built in 2015. For the first five years Rush X has only been used privately and is in absolutely mint condition! The Sunseeker 86, one of the most successful models of this shipyard, is based in Palma de Mallorca, offering sublime views to the cathedral.
